Hey Sarah!

I'm currently at the subject address where we have a 7-10 person encampment, of which one just accepted services by HOPICS. Her name is Corrine Clark, she's 53, and she's going into the Flores Motel while they situate her into Project RoomKey.

She doesn't want to take everything with her and has asked us to toss what's left.

Can we get CARE out here to take her iremainders? It's the area between the two officers.

Both Officers Leyva and Ybarra can be here to assist. Please advise if we can get out ABH team to assist with this in the morning, in lieu of handling the ABH grid.

Thank you,

Gaby
